**Muri Beach Club Hotel**  
**Muri Lagoon, Rarotonga, Cook Islands**

Can you picture yourself standing in front of Muri Beach Club Hotel on the white sands of the tranquil Muri Lagoon celebrating your special day? Pledging your wedding vows to family and friends is a must with Muri Beach Club Hotel wedding planning team who enjoys creating wedding days that not only you won't forget but also those special ones you are sharing it with.

## Getting married here in the Cook Islands...

Upon pledging your wedding vows here in the South Pacific it is important we tell you a couple of important licence requirements i.e.

- Cook Islands law requires all people wishing to get married to be 21 years of age or to have written consent from their parents
- Application for a marriage licence must be made in person to the Registrar of Marriages at least three full working days before the wedding. You cannot apply for a licence outside of the Cook Islands
- Applicants for a wedding licence must produce a passport and, if divorced, a copy of the Decree Absolute is required also
- You are both required to be on the island of Rarotonga three full working days before the day of marriage or alternatively a "waiver fee" can be paid within this timeframe

Our marriages here in the Cook Islands are recognised internationally however it would pay to check with your own countries marriage licensing authorities for their local requirements concerning marriages.

Most weddings at Muri Beach Club Hotel are non-denominational and are performed by a local Justice of the Peace.
